Note: This is the complete list of names that are in the oldest book of Session, which is a small book and numbered "2". These names have all been copied into book 3 by some later clerk of the Session. Because the handwriting was very old style, and the records not very orderly, it was not possible to use the old book entirely. The names listed to this point may be found in either book.

This shows that Samuel Turner, Revolutionary Pensioner, 87 years of age (born ca 1752 or 1753) was living with Samuel Turner (his son?) on June 1, 1840 in Salt River Township, Ralls County, Missouri.

At the office of the Probate Judge of Ralls Co., Mo., we find he died intestate, (probably about 1847, see later) and letters were granted on Jan. 1, 1855, William Turner was appointed Administrator of his estate.

File #1141 shows that he served in the American Revolution. It seems he had lost his Pension Papers but had a copy, and after his death this copy was placed on record - it follows:

Jonathan Abbey and Joshua S. We, James Chisham and Thomas Brown, having been first duly sworn, do make the following statement, viz: that we know Samuel Turner who was a soldier in the Revolution in the year 1781, being now as we believe about 75 years old - we know that he served 3 months under Capt. Robt. Pollard and under the command of Col. James Slaughter. The service was rendered in the State of Virginia on the waters of James River - John Williams was a Major in the Regt. and James Gains was Lieut. in Capt. Pollard's Company - & in the Brigade commanded by Gen'l. Peter Mulenburg - during the above 3 months he was in the battle at Petersburg, Virginia. We were both of us with Samuel Turner during the three months service - this 21st Sept. 1832.

{ signed } James Chisham
{ signed } Thomas Brown.

In addition to the within service I, Thos. Brown, having been first duly sworn, do state that Samuel Turner served three months under Capt. Francis Covington; Col. James Barbour was Col. part of the time & afterward we were commanded by Col. Elias Edmond and in the Brigade Commanded by Edward Stevens. The Major was Nathaniel Welch. The service was in the fall of the year 1781 and was at the surrender of Gen'l. Cornwallace at the siege of Little York, Virginia.

I do further state that I was with said Turner during the whole three months tour.

"Ho of Reps
March 24th 1840

Dear Sir

Your favor of the 14th ult inclosing the pension

SAMUEL TURNER, Revolutionary Soldier - Cont'd.

papers of Samuel Turner has been received - inclosed herewith is a letter from Mr. (?) 3rd Auditor, stating the amount of pension due to Mr. Turner up to the 4th day of March last (1839) and referring him to the pension agent at St. Louis for the payment of the balance due him. Mr. Turner and all other pensioners in Missouri can draw their pension annually, at the pension agency at St. Louis by applying for them & presenting their papers in due form, prior to the 4th day of May in each year--This would be the best and safest course for all pensioners in Missouri (to inserted)pursue as there is great risque in forwarding to them drafts for the amounts due (them,inserted) as pensioners, (from,inserted) this place by mail--I would therefore advise as a matter of safety to pensioners, that they (sic) apply in due time for the payments of their Claims at St. Louis.

You will also receive inclosed herewith a draft for \$30. made payable to me as the Attorney of Mr. Turner, which appears to be in full of his pension up to the 4th of March 1839 - I have endorsed the Draft and made it payable to the order of Mr. Turner. I will thank you to take his receipt in my name, for the same and enclose it to me at this place at as early a day as you can, that I may file the same in the proper Draft.

Your friend &

"Col. George C. Thompson died March 22 1834 age 25 years. He was a soldier of the Revolution and filled several official stations both in Virginia and Kentucky. Born of respectable family he was left by the death of his father, an orphan at an early age to shift for himself, with little or no patrimony or education. But possessed of a strong natural mind, great energy of character, sobriety and industry rose to respectability, some distinction as a public man and acquired a large fortune. He was a warm and faithful friend, good husband, a very kind master and most affectionate father. His only child Geo. C. Thompson with grateful sensibility inscribes this to his memory.

The deceased had been for many years a member of the Methodist Episcopal church and departed ~~there~~ in full confidence of a happy immortality through the merits of the Savior!"

"Geo. C. Thompson born April 30 1778 in Abbeville Co. Va. died Feb. 8 1856 in Mercer Co. Ky. He lived beloved, honoured and respected. He died trusting in the Lord God!"
